

Welcome to Wren class! We are thrilled to have welcomed your children back for another school year or for some, their first time. We hope that everyone is feeling refreshed and ready to go! We know that this can be a scary time for yourself and your children, and we are feeling really proud of each and every one of them for arriving and tackling the days head-on!

This half term our topic of focus is 'The Tin Forest?' one of the books we will cover in our literacy lessons. We will be exploring ourselves and celebrations around us. Our focus will be getting to know each other and learning our new routines.

Curriculum news! This half term we have a jam-packed curriculum filled with lots of wonderful subjects.

Phonics and Maths: This year we are transitioning children into groups for maths and phonics lessons. This will allow the children to spend time with their peers from other classes and all staff across KS1 and EYFS. Working in groups for these lessons will allow us to push the children to their highest potential. We will follow White Rose for Maths and Little Wandle for Phonics. If you would like further information on this, then just ask!

Literacy: This year for literacy, we are using Drawing Club which focuses on a new book each week to fit within our theme, the scheme encourages the use of new language and a love of stories. Drawing club allows for the children to be creative and exercise their imaginations. We hope that you will join us in sharing this enthusiasm with your children.

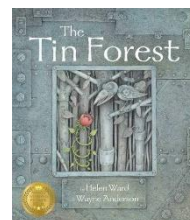

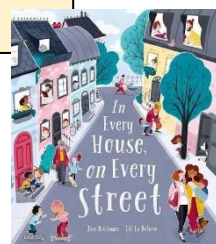

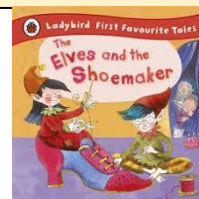

Topic and continued provision: Our topic and provision spaces all connect to our book of the week, please continue to look out for Class Dojo posts from us gathering information for the different themes! The children will always have access to a number of play based learning activities within the classroom, along with the sensory rooms and soft play spaces in school.

The children will access weekly PE and Yoga lessons and will get the chance to experience sensory swimming after Christmas! PE kits should be kept in school.

We have some exciting things planned for the upcoming term and we can't wait to share those details with you when they are finalised. We look forward to welcoming you to join us for activity afternoons so please keep your eyes peeled for upcoming dates.

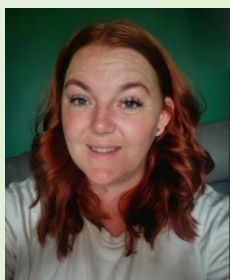

Please always check Class Dojo for updates- we will post important dates, requests and more importantly, photos of all the wonderful things we get up to in Wren class!

Some Drawing Club books we will read together:

Meet the team:

Miss Bonallie

Miss Eley

Miss Hirons

Mrs Ragg
